

## RHODE ISLAND FOR HUGHES

Delegates Uninstructed, but They Favor the Justice

## SENATOR HARDING ADDRESSES DELEGATES

Republicans Will Demand That Democrats Observe the One-Term Plank

Providence, R. I., April 18.—Rhode Island yesterday added 10 delegates to the uninstructed forces which will control by a large majority the Chicago convention. In refusing to instruct for any candidate the Rhode Island Republicans are true to the traditions of the party. They are also true to the prevalent sentiment of the rank and file at this time.

A poll of the delegation shows that the preference for Hughes is general and unmistakable. The reluctance of the justice, however, to sanction the use of his name and the unwillingness of the delegates to force a fight in advance of the national convention which might retard reunion, long ago made an uninstructed delegation from this state a foregone conclusion. The absence of a state-wide primary enabled the leaders weeks ago to confer and agree upon the delegates-at-large and agreement regarding district delegates was almost as easy. The presence of Senator Harding, who has been recommended by the committee on arrangements for temporary chairman of the Chicago convention, and his delivery of the keynote speech of this convention, offered the principal feature of interest.

Senator Harding declared that no one man and no group of men would have any say in regard to the platform to be adopted by the Republicans at Chicago. The convention, he asserted, would demand that the Democratic party stand by its one-term plank. He declared that the Baltimore platform of the Democrats had been violated in almost every particular, but that the Republicans proposed to see that one plank in that platform was carried out, namely, the one-term plank.

### Methodist Proposal.

Worcester, Mass., April 18.—The New England Methodist conference yesterday adopted a memorial to the general conference for an amendment to the church constitution providing for the omission of theatre-going, dancing and card playing from the rule relative to causes for expulsion of a church member.

## PROVEN SWAMP-ROOT AIDS WEAK KIDNEYS

The symptoms of kidney and bladder troubles are often very distressing and leave the system in a run-down condition. The kidneys seem to suffer most, as almost every victim complains of lame back and urinary troubles which should not be neglected, as these danger signals often lead to dangerous kidney troubles. Dr. Kilmer's Swamp-Root, which soon heals and strengthens the kidneys is a splendid kidney, liver and bladder remedy, and, being an herbal compound, has a gentle healing effect on the kidneys, which is almost immediately noticed in most cases by those who use it.

A trial will convince anyone who may be in need of it. Better get a bottle from your nearest drug store, and start treatment at once.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention the Barre Times.—Adv.

## LITTLE PIMPLES ON FACE, NECK

And Hands. Became Scaly and Skin Was Sore. Ashamed To Go Out. Lasted Three Months.

## HEALED BY CUTICURA SOAP AND OINTMENT

"One night before retiring I was troubled with an itching and in the morning I found that my face was all broken out with little pimples, and then they came on my neck and hands. The pimples became scaly and my skin was so sore that I had to bathe it with cold water to keep the pain down, and I scratched and my face became erupted. I was so red and sore I was ashamed to go outdoors at all. It lasted about three months. I tried—and to no purpose. A friend told me to try Cuticura Soap and Ointment so I did, and after using three cakes of Cuticura Soap and one-half a box of Cuticura Ointment I regained my complexion, and was completely healed." ### MOBS CANADIAN SCOFFER.

Soldiers and Crowd of 1,000 Men and Woman Drag Hazleton from His Home.

Toronto, Ont., April 18.—A mob composed of a few soldiers and about 1,000 men, women and children, residents of Todmorden, Saturday night attacked the home of Robert Hazleton of that village, author of a letter to Senator Choquette casting reflection on the men enlisting in Toronto.

Hazleton was dragged out of the house and placed in an improvised coffin. He sprang out and with his back to the wall defied the mob. A country constable, with drawn revolver, arrived at that juncture and marched Hazleton toward the city. Hazleton was taken from the custody of the constable, however, and was thrown into a pool of muddy water by his tormentors.

The constable dragged him out and before the crowd could repeat the attack a squad of five city policemen came to the rescue, aided by 15 soldiers, who had been spectators. Hazleton was then placed in the patrol wagon and taken to the police station, where he spent the night. He returned to his home Sunday under police escort. To guard against a renewal of the attack, a military picket was stationed at the house by General Logan.

## AMEND IMMIGRATION BILL TO MEET WILSON OBJECTIONS

Literacy Test Stands, but All Political Offenders Will Not Be Excluded.

Washington, D. C., April 18.—The House immigration bill, containing the hard-fought literacy test, but with amendments which are said to meet President Wilson's objection to the section excluding political offenders, was reported to the Senate yesterday with recommendation for passage.

The Senate immigration committee considers the House provision exempting persons who committed or advocated purely political offenses, too broad, and amended the section to exclude such if the offense was a felony.

The bill as now recommended would exclude all aliens over 16 years, who can not read some language, including Hebrew or Yiddish, but provides that any admissible alien may bring in his father or grandfather over 55 years old, his wife, his mother, grandmother or his unmarried or widowed daughter.

Exemption from the literacy test also would include those seeking to avoid religious persecution.

### MARRIED MEN BETTER.

Their Moral Standard Higher Than That of Bachelors.

New York, April 18.—Unmarried men as law breakers outnumbered married men two to one, according to the annual report of the district attorney of New York county. This relative proportion was maintained last year, when 2,484 single men as compared to 1,244 married men were arraigned in the criminal courts. The proportion of men arraigned as criminals in the last ten years is even more to the disadvantage of the bachelors as 22,331 of them were accused, while only 9,492 married men were charged with crime.

More crime was committed by persons between the ages of 21 and 30 than by those of any other age. Few men past 70 were convicted.

The records show that criminals are becoming more economical and are increasing their demands for free counsel to be assigned by the courts. Except in murder cases, the lawyers so assigned received no pay.

Tuxedo has made thousands of happy, contented pipe-smokers because it's so wonderfully mild and cannot burn, bite or blister the tongue or irritate the throat.

There are many so-called processes—all are imitations of the "Tuxedo Process"—none has ever even approached the "Tuxedo Process" in making tobacco leaf mild and wholesome.

Try Tuxedo for a week and learn what it means to love your pipe.
